Stride Desking and Tables

A fresh angle on
office furniture

Great design that works

Timeless design meets peak performance

Office tables have taken a stride forward, combining striking designs with incredible durability.

A modern nod to both mid-century and Scandinavian design, the range boasts angled legs and sleek lines with instant appeal for employees and clients.

Made from super-strong aluminium, a wide range of finish options sets the tone: from minimalist black and white to natural timber-look.

So much to love

Beautifully designed workstations, benches and tables with stylish angled legs.

Range of configurations to suit any space and team.

High quality finish, fully welded components to withstand everyday use.

Telescopic frame.

Black or white powdercoated legs.

Custom leg colours available, including natural timber-look.

Select from 14 melamine worktop colours.

Australian made, with 10-year warranty.

Great design that works

Available in a choice of configurations, Stride radiates good taste for focused work, collaboration, breakout areas, meetings or casual 'catch-ups'.
